Petition for Intervention of James Black

Now comes James Black seeking intervention in this matter:

1. My name and address are:

James Black  
Executive Director  
Partnership for Sustainability in Delaware  
1201 North Orange Street, Suite 500  
Wilmington, Delaware 19801  
(302) 351-2277

2. I am requesting to intervene in Docket 14-193 regarding the merger of PHI and Exelon. As Executive Director of the Partnership for Sustainability in Delaware, I am concerned that Delaware does not lose any of the ground it has gained towards a more sustainable energy future due to this merger. Also, most of the PSD membership are Delmarva consumers and are concerned that while consumers are protected from undo rate in the near term they are more concerned that we do not lose sight of our long range sustainability goals in order to bring near term rate relief. Thank you for your consideration.
